International Swaps & Derivatives Association, Inc. ("ISDA")
360 Madison Avenue, 16th Floor
New York, New York 10017
U.S.A.

Ladies and Gentlemen:

Close-out Amount Protocol

We refer to the Close-out Amount Protocol published by ISDA on February 27, 2009 (the "Protocol") and to our opinion (on the enforceability of the termination, bilateral close-out netting and multibranch netting provisions of the 1987, 1992 and 2002 ISDA Master Agreements) dated January 20, 2004 and as amended most recently on November 28, 2008 (the "Opinion"). On the assumption that the changes intended by the Protocol are effective as a matter of the governing law of the Covered Master Agreement (as defined in the Protocol), we confirm that the changes made by the Protocol are not material to and do not affect the conclusions reached in the Opinion.

Very truly yours,

Rafael A. Morales
