Close-out Amount Protocol

We refer to the Close-out Amount Protocol published by ISDA on 27 February 2009 (the "Protocol") and to our opinion on the enforceability of the termination, bilateral close-out netting and multibranch netting provisions of the 1992 and 2002 ISDA Master Agreements dated 9 February 2004 and as amended most recently on 9 December 2008 (the "Opinion"). On the assumption that the changes intended by the Protocol are effective as a matter of the governing law of the Covered Master Agreement (as defined in the Protocol), we confirm that the changes made by the Protocol are not material to and do not affect the conclusions reached in the Opinion.

Yours sincerely,

For Allen & Overy, A. Pędzich Spółka Komandytowa
