- 2. Point of Contact: ISDA sends emails to you at various points in the process, for example when you fill out the form and click "Submit", a copy of the adherence letter that was generated will be emailed to this "Point of Contact". In addition, you will receive email notifications when you pay the adherence fee, upload a signed letter, and also when your letter has been reviewed and accepted by ISDA and it is on the website.
- 3. Adhering Organization Logo. Adherence letters generally have the company's logo on the top of the letter we ask you to upload your institutions logo in this section so that it can be used to generate your adherence letter.
- 4. **DTCC Account Number**: This is optional.

## 5. MEHTOD OF RECEIPT OF INCOMING QUESTIONNAIRES:

- In this section you have the option to choose the method of receipt of the questionnaires from your counterparties. Eg. Method 1 is via "ISDA Amend" you check the box if you wish to receive questionnaires in this manner. Method 2 is delivery in person or by courier and you are asked to designate a mailing address and whose attention it should go to. You may choose more than one method of delivery of questionnaires.
- ii. Dealer Question: Participants are asked to indicate whether or not they are 'swap dealers' for sorting purposes only (no representations are triggered by this).
- 6. ADHERENCE TYPE: You have three options from the dropdown
  - i. **Single Entity Adherence**: Applicable where you are adhering for one legal entity.
  - ii. Investment / Asset Manager on behalf of a fund/multiple funds. Enter the name of the "Investment /Asset Manager". Standard language is provided: acting on behalf of funds and accounts to be specifically identified in Questionnaires subsequently delivered to other Adhering Parties
  - iii. Investment / Asset Manager on behalf of some but not all funds it represents. Enter the name of the "Investment /Asset Manager". Standard language is provided: acting on behalf of funds and accounts to be specifically identified in Questionnaires subsequently delivered to other Adhering Parties"

NOTE: For the DF Protocol an INVESTMENT MANAGER does NOT need to list the name of the funds it represents – this is done at the Questionnaire level.

5. Preview and/or then Submit the form. This will fill out your adherence letter automatically inserting all the information you just entered into the form template for that specific protocol. You will receive an email of the document and you will have the opportunity to print the letter on the next screen. This constitutes the traditional "Conformed" copy of the letter.
