NEWS & NOTABLE

[ISDA Publishes Survey on Derivatives Use in Emerging Market and Developing Economies](#)

ISDA has published a new survey that explores the development of capital and derivatives markets in emerging market and developing economies (EMDEs) and recommends possible policy approaches for authorities in those jurisdictions.

[ISDA Publishes Conceptual Framework for Climate Scenario Analysis in the Trading Book](#)

ISDA has published a conceptual framework for climate scenario analysis in the trading book, marking a major step forward in efforts to understand and manage the impact of climate-related events on traded assets.
