¹ Specify legal name of Adhering Party. If you are an investment or asset manager and act on behalf of multiple funds, you may indicate in the signature block, "Investment/Asset Manager, acting on behalf of each of the funds and accounts listed in the relevant Master Agreement (or other agreement which deems a Master Agreement to have been created) between it and another Adhering Party" (or such other language that indicates the funds to which this letter is applicable). A separate Adherence Letter for each fund does *not* need to be submitted to ISDA. Further, no specific names of clients of the investment or asset manager will be publicly disclosed on the ISDA website in connection with the Protocol (unless such names are contained in the Adherence Letter or any attached appendix). However, in order for each Participating Bidder to calculate its Market Position, each such investment or asset manager is required to provide a list of all funds and accounts that it acts on behalf of to each Participating Bidder that has (or whose affiliate has) entered into an ISDA Master Agreement with any of those funds. As provided in Section (1) of Exhibit 2 of the Protocol, on the Business Day prior to the Auction Date, the Administrators will publish a list of the Participating Bidders.
