ISDA JAPAN CORPORATE CALCULATION AGENT CITY PROTOCOL

published on 12 January 2010

by the International Swaps and Derivatives Association, Inc.

The International Swaps and Derivatives Association, Inc. (**ISDA**) has published this ISDA Japan Corporate Calculation Agent City Protocol (this **Protocol**) to enable parties to Protocol Covered Transactions (as defined below) to amend the terms of such Protocol Covered Transactions.

Accordingly, a party that has entered into a Protocol Covered Transaction may adhere to this Protocol and be bound by its terms by completing and delivering a letter substantially in the form of Exhibit 1 to this Protocol (an **Adherence Letter**) to ISDA, as agent, as described below.

1. Amendments

By adhering to this Protocol in the manner set forth in paragraph 2 below, a party (an **Adhering Party**) that wishes to amend the terms of a Protocol Covered Transaction, in each case on the terms and conditions set forth in this Protocol and the relevant Adherence Letter, agrees that the terms of each Protocol Covered Transaction, if any, between it and each other Adhering Party will be amended with effect from the Implementation Date in accordance with the terms of the Annex to this Protocol. For the avoidance of doubt, where an agent signs an Adherence Letter on behalf of one or more clients, references to the Adhering Party in that instance and for the purposes of this Protocol (including the Annex to this Protocol) shall be to each such client.

2. Adherence and Effectiveness

- (a) Adherence to this Protocol will be evidenced by the execution and delivery, in accordance with paragraph 5(e) below, to ISDA, as agent, of an Adherence Letter on or before 22 January 2010 (the **Cut-off Date**) or during the Subsequent Adherence Period (as defined below)(if any). After the Cut-off Date, ISDA will not accept any further Adherence Letters to the Protocol, subject to the designation of a Subsequent Adherence Period (as defined below) pursuant to paragraph 2(d) below.

- (i) Each Adhering Party will deliver two copies of the Adherence Letter, one a manually signed original and the other a conformed copy containing, in place of each signature, the printed or typewritten name of each signatory.
 - (ii) Each Adhering Party agrees that, for evidentiary purposes, a conformed copy of an Adherence Letter certified by the General Counsel (or other appropriate officer) of ISDA will be deemed to be an original.
- (b) As between any two Adhering Parties, the agreement to make the amendments contemplated by this Protocol, on the terms and conditions set forth in this Protocol and the relevant Adherence Letter, will be effective on the date of delivery (determined in accordance with paragraph 5(e) below) to ISDA, as agent, of an Adherence Letter (in accordance with paragraphs 2(a)(i) and 2(a)(ii) above) from the later of such two Adhering Parties to adhere. Any such amendments will apply to each Protocol Covered Transaction between the Adhering Parties and will be effective from the Implementation Date.
- (c) This Protocol is intended for use without negotiation, but without prejudice to any amendment, modification or waiver in respect of a Protocol Covered Transaction that the parties may otherwise effect in accordance with the terms of that Protocol Covered Transaction and the Governing Master Agreement and:
 - (i) in adhering to this Protocol, an Adhering Party may not specify additional provisions, conditions or limitations in its Adherence Letter or otherwise.
 - (ii) any purported adherence that ISDA, as agent, determines in good faith is not in compliance with this Protocol will be void and ISDA will inform the relevant party of such fact as soon as reasonably possible after making such determination.
- (d) If ISDA determines in its absolute discretion that market interest justifies reopening adherence to this Protocol, ISDA may designate the first and final day of a subsequent adherence period (a **Subsequent Adherence Period**) by giving no less than ten calendar days' notice on its website www.isda.org (or by other suitable means). In the event that adherence is reopened, each Adherence Letter effectively delivered on any day during the Subsequent Adherence Period in accordance with the terms of this Protocol shall be deemed to have been effectively delivered.
- (e) Each Adhering Party acknowledges and agrees that adherence to this Protocol is irrevocable, irrespective of whether such adherence occurs on or prior to the Cut-off Date or during the Subsequent Adherence Period (if any). For the avoidance of doubt, each Adhering Party whose adherence to this Protocol occurs on or prior to the Cut-off Date shall also be an Adhering Party for purposes of any Subsequent Adherence Period without such Adhering Party being required to deliver any additional Adherence Letter during any such Subsequent Adherence

Period.

3. Representations and Agreements

Each Adhering Party represents to each other Adhering Party with which it has or may have entered into a Protocol Covered Transaction, on the Implementation Date that:

- (a) **Status.** It is, if relevant, duly organized and validly existing under the laws of the jurisdiction of its organization or incorporation and, if relevant under such laws, in good standing or, if it otherwise represents its status in or pursuant to the Governing Master Agreement, has such status;
- (b) **Powers.** It has the power to execute and deliver the Adherence Letter and to perform its obligations under the Adherence Letter and the Governing Master Agreement, in each case as amended by the Adherence Letter and this Protocol, and has taken all necessary action to authorize such execution, delivery and performance;
- (c) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;
- (d) **Consents.** All governmental and other consents that are required to have been obtained by it with respect to the Adherence Letter and the Governing Master Agreement, in each case as amended by the Adherence Letter and this Protocol, have been obtained and are in full force and effect and all conditions of any such consents have been complied with;
- (e) **Obligations Binding.** Its obligations under the Adherence Letter and the Governing Master Agreement, in each case as amended by the Adherence Letter and this Protocol, constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganisation, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)); and
- (f) **Credit Support.** Its adherence to this Protocol and any amendment contemplated by this Protocol will not, in and of itself, adversely affect any obligations owed, whether by it or by any third party, under any Credit Support Document in respect of its obligations relating to the Governing Master Agreement.

Each Adhering Party agrees with each other Adhering Party with which it has or may have a Governing Master Agreement that each of the foregoing representations will be

deemed to be a representation for purposes of Section 5(a)(iv) of the Governing Master Agreement that is an ISDA Master Agreement (or, in the case of a Governing Master Agreement that is not an ISDA Master Agreement, any analogous provision in such Governing Master Agreement) entered into on or prior to the Implementation Date between them.

4. Evidence of Capacity and Authority

Each Adhering Party may deliver to ISDA, as agent, such evidence as it deems appropriate to evidence its capacity to adhere to this Protocol and the authority of anyone signing on its behalf.

5. Miscellaneous

(a) ***Entire Agreement; Restatement; Survival.***

- (i) This Protocol constitutes the entire agreement and understanding of the Adhering Parties with respect to its subject matter and supersedes all oral communication and prior writings (except as otherwise provided herein) with respect thereto. Each Adhering Party acknowledges that in adhering to this Protocol it has not relied on any oral or written representation, warranty or other assurance (except as provided for or referred to elsewhere in this Protocol or in the Annex to this Protocol) and waives all rights and remedies which might otherwise be available to it in respect thereof, except that nothing in this Protocol will limit or exclude any liability of an Adhering Party for fraud.
- (ii) Except for any amendment deemed to be made pursuant to this Protocol in respect of a Protocol Covered Transaction, all terms and conditions of each Protocol Covered Transaction will continue in full force and effect in accordance with the provisions of the Documentation as in effect immediately prior to the Implementation Date. Except as explicitly stated in this Protocol, nothing herein shall constitute a waiver or release of any rights of any Adhering Party under the Documentation for the Protocol Covered Transaction. This Protocol will, with respect to its subject matter, survive, and any amendments deemed to be made pursuant to the Protocol Covered Transaction, will form a part of each Governing Master Agreement between the Adhering Parties notwithstanding Section 9(a) (or in the case of an ISDA Master Agreement that is a 1992 ISDA Master Agreement (Local Currency – Single Jurisdiction), Section 8(a)) of the Governing Master Agreement (or in the case of a Governing Master Agreement that is not an ISDA Master Agreement, any analogous provision in such Governing Master Agreement).

- (b) ***Amendments.*** An amendment, modification or waiver in respect of the matters contemplated by this Protocol will, as between two Adhering Parties, only be

- effective if made in accordance with the terms of the relevant Governing Master Agreement and then only with effect between the parties to that Governing Master Agreement (and will only be effective to amend or override the provisions contained in paragraph 1 of this Protocol and the Annex to this Protocol if it expressly refers in writing to this paragraph 5(b) of this Protocol and would otherwise be effective in accordance with Section 9(b) (or, in the case of an ISDA Master Agreement that is the 1992 ISDA Master Agreement (Local Currency – Single Jurisdiction), Section 8(b)) of the Governing Master Agreement (or in the case of a Governing Master Agreement that is not an ISDA Master Agreement, any analogous provision in such Governing Master Agreement)).
- (c) **Headings.** The headings used in this Protocol and any Adherence Letter are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Protocol or any Adherence Letter.
 - (d) **Governing Law.** This Protocol and each Adherence Letter will, as between two Adhering Parties, be governed by and construed in accordance with the law specified to govern that Governing Master Agreement and otherwise in accordance with applicable choice of law doctrine.
 - (e) **Notices.** Any Adherence Letter must be in writing and delivered as a locked PDF (portable document format) attachment to an email to ISDA at japancaprotocol@isda.org and will be deemed effectively delivered on the date it is delivered unless on the date of that delivery ISDA's New York office is closed or that communication is delivered after 5:00 p.m., New York time, in which case that communication will be deemed effectively delivered on the next day ISDA's New York office is open. Each Adhering Party agrees that the determination of the date and time of delivery of any Adherence Letter shall be determined by ISDA in its absolute discretion.
 - (f) **Party Agreed Excluded Transactions.** The Adhering Parties may agree by separate bilateral agreement(s) that one or more specified Credit Derivative Transactions entered into between them shall not be Protocol Covered Transactions for purposes of this Protocol (each such Credit Derivative Transaction, a **Party Agreed Excluded Transaction**).
