2002 MASTER AGREEMENT PROTOCOL

published on 15th July, 2003

by the International Swaps and Derivatives Association, Inc.

The International Swaps and Derivatives Association, Inc. ("ISDA") has published this 2002 Master Agreement Protocol (this "Protocol") to enable parties to an ISDA 2002 Master Agreement (a "2002 Master") to confirm their intentions in respect of certain matters arising when that 2002 Master is used with certain other documents published before 2002 by ISDA.

Accordingly, a party that has entered and/or anticipates entering into a 2002 Master may adhere to this Protocol and be bound by its terms by completing and delivering a letter substantially in the form of Exhibit 1 to this Protocol (an "Adherence Letter") to ISDA, as agent, as described below.

1. Amendments

(a) By adhering to this Protocol in the manner set forth in Section 2 below, a party (an "Adhering Party") that has entered and/or anticipates entering into a 2002 Master agrees, in each case on the terms and subject to the conditions set forth in this Protocol and the relevant Adherence Letter, that certain amendments will be deemed to be made to one or more:

- (i) sets of definitions and provisions published before 2002 by ISDA (each an "ISDA Definitions Booklet"); and
- (ii) documents containing credit support provisions published before 2002 by ISDA (each called "Credit Support Provisions"),

in each case when used in connection with a 2002 Master between it and any other Adhering Party.

(b) The amendments provided for in this Protocol are set forth in Annexes 1 to 18, and each Adhering Party may specify in its Adherence Letter its preference that one or more of these Annexes are applicable.

(c) In respect of any 2002 Master between two Adhering Parties, where at least one Adhering Party has specified a preference that less than all the Annexes are applicable, only those amendments contained in the Annexes that both parties have specified will be applicable.

2. Adherence and Effectiveness

(a) Adherence to this Protocol will be evidenced by the execution and delivery, in accordance with Section 5(f) below, to ISDA, as agent, of an Adherence Letter on or before 1st March, 2004 or such later date designated by ISDA falling no later than 1st June, 2004 (in either case, the "Cut-off Date"). ISDA may designate a date later than 1st March, 2004 as the Cut-off Date by notice given no later than 1st March, 2004 on the "2002 Master Agreement Protocol" section of its website at www.isda.org (or by other suitable means) if it determines in its absolute discretion that market interest justifies such an extension to the adherence period.

(i) Each Adhering Party will deliver two copies of the Adherence Letter, one a manually signed original and the other a conformed copy containing, in place of each signature, the printed or typewritten name of each signatory.

(ii) Each Adhering Party agrees that, for evidentiary purposes, a conformed copy of an Adherence Letter certified by the General Counsel or an appropriate officer of ISDA will be deemed to be an original.

(b) The agreement to make the amendments contemplated by this Protocol, on the terms and subject to the conditions set forth in this Protocol, will, as between any two Adhering Parties, be effective on receipt by ISDA, as agent, of an Adherence Letter from the later of the Adhering Parties to adhere. Any such amendments will apply to each 2002 Master between the Adhering Parties (whether entered into before, on or after the Cut-off Date), any Transaction at any time governed by it and any Credit Support Provisions at any time related to it.

(c) This Protocol is intended for use without negotiation, but without prejudice to any amendment, modification or waiver in respect of a 2002 Master (including Transactions governed by it and Credit Support Provisions related to it) that the parties may otherwise effect in accordance with the terms of that 2002 Master.

(i) In adhering to this Protocol, an Adhering Party may not specify additional provisions, conditions or limitations in its Adherence Letter or otherwise.

(ii) Any purported adherence that ISDA, as agent, determines in good faith is not in compliance with this Section will be void.

3. Representations

Each Adhering Party represents to each other Adhering Party with which it has or may have a 2002 Master, on the date on which the later of them adheres to this Protocol in accordance with Section 2 above and, if then outstanding, in respect of each 2002 Master and any related Credit Support Provisions between them, that:

(a) **Status.** It (i) is, if relevant, duly organised and validly existing under the laws of the jurisdiction of its organisation or incorporation and, if relevant under such laws, in good standing or (ii) if it otherwise represents its status in or pursuant to the 2002 Master, has such status;

(b) **Powers.** It has the power to execute and deliver the Adherence Letter and to perform its obligations under the Adherence Letter and the 2002 Master (including Transactions governed by that 2002 Master) and any related Credit Support Provisions, in each case as amended by the Adherence

Letter and this Protocol, and has taken all necessary action to authorise such execution, delivery and performance;

(c) ***No Violation or Conflict.*** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;

(d) ***Consents.*** All governmental and other consents that are required to have been obtained by it with respect to the Adherence Letter and the 2002 Master (including Transactions governed by that 2002 Master) and any related Credit Support Provisions, in each case as amended by the Adherence Letter and this Protocol, have been obtained and are in full force and effect and all conditions of any such consents have been complied with;

(e) ***Obligations Binding.*** Its obligations under the Adherence Letter and the 2002 Master (including Transactions governed by that 2002 Master) and any related Credit Support Provisions, in each case as amended by the Adherence Letter and this Protocol, constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganisation, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)); and

(f) ***Credit Support.*** Its adherence to this Protocol and any amendment contemplated by this Protocol will not, in and of itself, adversely affect any obligations owed, whether by it or by any third party, under any Credit Support Document relating to the 2002 Master.

Each Adhering Party agrees with each other Adhering Party with which it has or may have a 2002 Master that each of the foregoing representations will be deemed to be a representation for purposes of Section 5(a)(iv) of each 2002 Master (then or in the future) between them.

4. Evidence of Capacity and Authority

Each Adhering Party may deliver to ISDA, as agent, such evidence as it deems appropriate to evidence its capacity to adhere to this Protocol and the authority of anyone signing on its behalf.

5. Miscellaneous

(a) ***Entire Agreement; Restatement; Survival.***

(i) This Protocol constitutes the entire agreement and understanding of the Adhering Parties with respect to its subject matter. Each Adhering Party acknowledges that in adhering to this Protocol it has not relied on any oral or written representation, warranty or other assurance (except as provided for or referred to in an Annex or elsewhere in this Protocol) and waives all rights and remedies which might otherwise be available to it in respect thereof, except that nothing in this Protocol will limit or exclude any liability of an Adhering Party for fraud.

(ii) Except for any amendment deemed to be made pursuant to this Protocol in respect of a 2002 Master (including any Transaction governed by it) or any related Credit Support Provisions, all terms and conditions of each 2002 Master (including all outstanding Transactions) and any related Credit Support Provisions will continue in full force and effect in

accordance with its provisions on the effective date of that amendment. As used in that 2002 Master, the terms "Agreement", "this Agreement" and words of similar import will, unless the context otherwise requires, mean the 2002 Master as amended pursuant to this Protocol in accordance with the relevant Adherence Letters. This Protocol will, with respect to its subject matter, survive, and any amendments deemed to be made pursuant to it will form a part of each 2002 Master between the Adhering Parties notwithstanding Section 9(a) of that 2002 Master.

(b) **Amendments.** An amendment, modification or waiver in respect of the matters contemplated by this Protocol will only be effective if made in accordance with the terms of a 2002 Master and then only with effect between the parties to that 2002 Master (and will only be effective to amend or override the provisions contained in an applicable Annex to this Protocol if it expressly refers in writing to this Section of this Protocol and would otherwise be effective in accordance with Section 9(b) of the 2002 Master). As used in a 2002 Master between two Adhering Parties (including in a Confirmation or Schedule related to it), any reference to any ISDA Definitions Booklet or Credit Support Provisions will, unless the parties otherwise agree in writing with express reference to this Section of this Protocol, mean that ISDA Definitions Booklet or those Credit Support Provisions as deemed amended pursuant to this Protocol.

(c) **Limited Right to Revoke.** Adherence to this Protocol is irrevocable except that an Adhering Party may, by subsequently delivering to ISDA, as agent, a notice substantially in the form of Exhibit 2 to this Protocol (a "Revocation Notice"), designate a date (an "Earlier Cut-off Date") as the last date on which any counterparty may adhere to this Protocol in respect of any 2002 Master then or in the future between them.

(i) If ISDA determines pursuant to Section 2(a) of this Protocol that the Cut-off Date will be later than 1st March, 2004, an Adhering Party may, at any time on or before 12th March, 2004, deliver to ISDA a Revocation Notice designating 1st March, 2004 as an Earlier Cut-off Date.

(ii) Other than in the circumstances described in clause (i) above, any designated Earlier Cut-off Date (whether or not following 1st March, 2004) that would otherwise fall on a day that is less than three days following the day on which the Revocation Notice is effectively delivered will be deemed to occur on the day that is three days following the date of effective delivery. Any designated Earlier Cut-off Date that would otherwise fall, after giving effect to the preceding sentence (if applicable), on a day that is not a day on which the receiving ISDA office is open will be deemed to occur on the next day that ISDA office is open.

(iii) Upon the effective designation of an Earlier Cut-off Date by an Adhering Party, this Protocol will not amend or otherwise affect any 2002 Master (or any related Transactions or Credit Support Provisions) between that Adhering Party and a party which adheres to this Protocol after that Earlier Cut-off Date occurs or is deemed to occur. The foregoing is without prejudice to (A) any amendment to any 2002 Master (including any Transaction governed by it) or any Credit Support Provisions related to it between two Adhering Parties effected pursuant to this Protocol on or before the day on which that Earlier Cut-off Date occurs or is deemed to occur and (B) any amendment effected pursuant to this Protocol to any 2002 Master (including any Transaction governed by it) or any Credit Support Provisions related to it entered into after the day on which that Earlier Cut-off Date occurs or is deemed to occur between two Adhering Parties that each adhered to this Protocol on or before that day, which in each case will be (or continue to be) effective.

- (iv) Each Revocation Notice must be delivered in duplicate, one a manually signed original and the other a conformed copy containing, in place of each signature, the printed or typewritten name of each signatory.
- (v) Each Adhering Party agrees that, for evidentiary purposes, a conformed copy of a Revocation Notice certified by the General Counsel or an appropriate officer of ISDA will be deemed to be an original.
- (vi) Any purported revocation that ISDA, as agent, determines in good faith is not in compliance with this Section will be void.
- (d) **Headings.** The headings used in this Protocol and any Adherence Letter are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Protocol or any Adherence Letter.
- (e) **Governing Law.** This Protocol and each Adherence Letter will, as between two Adhering Parties and in respect of each 2002 Master between them, be governed by and construed in accordance with the law specified to govern that 2002 Master (but if any related Credit Support Provisions or any other provision related to a Transaction under that 2002 Master is governed by a different law, it (including any amendment to it effected pursuant to this Protocol) will continue to be governed by and construed in accordance with that law) and otherwise in accordance with applicable choice of law doctrine.
- (f) **Notices.** Any Adherence Letter or Revocation Notice must be in writing and delivered in person or by courier to ISDA at either 360 Madison Avenue, 16th Floor, New York, NY 10017 or One New Change, London EC4M 9QQ and will be deemed effectively delivered on the date it is delivered unless on the date of that delivery the receiving ISDA office is closed or that communication is delivered after 3:00 p.m., local time in the city where delivery is made, in which case that communication will be deemed effectively delivered on the next day the relevant ISDA office is open.

ANNEX 1

1991 Definitions

When incorporated into any Confirmation or otherwise used in connection with a 2002 Master, the terms of the 1991 Definitions are deemed to be amended as follows:

- (a) **Confirmation.** In Section 1.2, the words "or otherwise effective" are inserted after the words "exchanged between the parties".
- (b) **Conditions Precedent.** The references in Sections 4.1, 4.2, 4.3, 4.4, 8.5(a) and 8.6(a) to "any applicable condition precedent" are replaced by references to "any other applicable provisions".
- (c) **International Swaps and Derivatives Association, Inc.** Any reference in the paragraph preceding Article 1 or in Exhibit I to "the International Swap Dealers Association, Inc." is replaced by a reference to "the International Swaps and Derivatives Association, Inc. (formerly the International Swap Dealers Association, Inc.)".
- (d) **Exhibit I.** The references in Exhibit I to "the Interest Rate and Currency Exchange Agreement" are replaced by references to "the ISDA 2002 Master Agreement".

ANNEX 2

1998 Supplement

When incorporated into any Confirmation or otherwise used in connection with a 2002 Master, the terms of the 1998 Supplement are deemed to be amended as follows:

(a) **Conditions Precedent.** The references in Sections 12.3(a), 15.1, 17.1(ii), 18.1(a) and 18.1(b) to "any applicable condition precedent" and the reference in Section 18.6 to "any applicable conditions precedent" are replaced by references to "any other applicable provisions".

(b) **ISDA Master Agreement.** The following definition replaces Section 18.2(h):

"(h) **ISDA Master Agreement.** "ISDA Master Agreement" means, for the purpose of Sections 14, 17 and 18, the ISDA Master Agreement, if any, referred to in the related Confirmation and otherwise the standard form 2002 Master Agreement published by the International Swaps and Derivatives Association, Inc., and the terms "Terminated Transaction", "Early Termination Date", "Affected Parties", "Close-out Amount", "Event of Default" and "Potential Event of Default" have the respective meanings provided for in the ISDA Master Agreement."

(c) **Cash Settlement.** The following provision replaces Section 18.3(a):

"(a) **Cash Price.** If "Cash Price" is specified in the related Confirmation to be the Cash Settlement Method applicable to an Option Transaction, or Swap Transaction to which Mandatory Early Termination is applicable, the Cash Settlement Amount will be an amount determined with respect to the Relevant Swap Transaction as of the Cash Settlement Valuation Time on the Cash Settlement Valuation Date as the amount which would be payable in accordance with the provisions of Section 6(e)(ii)(1) of the ISDA Master Agreement (but without reference to clause (3) of Section 6(e)(ii)), mutatis mutandis, as though the Relevant Swap Transaction were a Terminated Transaction, the Cash Settlement Payment Date were an Early Termination Date and the Cash Settlement Currency were the Termination Currency. Notwithstanding the provisions of Section 6(e) of the ISDA Master Agreement and the definition of "Close-out Amount", the Calculation Agent will determine the Cash Settlement Amount on the basis of quotations (either firm or indicative) for a replacement transaction supplied by Cash Settlement Reference Banks (but the Calculation Agent may not take into account any loss or cost incurred by a party in connection with its terminating, liquidating or re-establishing any hedge related to the Relevant Swap Transaction (or any gain resulting from any of them)). The Calculation Agent will ask each Cash Settlement Reference Bank to provide a quotation using the Quotation Rate specified in the related Confirmation. Notwithstanding the provisions of Section 6(e) of the ISDA Master Agreement and the definition of "Close-out Amount", if fewer than three quotations are provided, the Cash Settlement Amount will be determined by the Calculation Agent in good faith and using commercially reasonable procedures. If the parties specify "Cash Price - Alternate Method" the Calculation Agent will determine the Cash Settlement Amount on the basis of the quotations obtained by each party separately from the Cash Settlement Reference Banks in accordance with Section 6(e)(ii)(2) of the ISDA Master Agreement (but without reference to clause (3) of Section 6(e)(ii))."

(d) ***Termination Currency.*** The reference in Section 18.2(g)(ii) to "the currency specified as the Termination Currency" and the references in footnotes 16, 30 and 32 in the Exhibits to "the Termination Currency specified" are replaced by references to "the Termination Currency".

(e) ***Confirmation Before Agreement.*** The reference in footnote 2 in the Exhibits to "the ISDA Master Agreement (Multicurrency-Cross Border)" is replaced by a reference to "the ISDA 2002 Master Agreement" and the reference to "and [specify currency] as the Termination Currency" is deleted.

ANNEX 3

2000 Definitions

When incorporated into any Confirmation or otherwise used in connection with a 2002 Master, the terms of the 2000 Definitions are deemed to be amended as follows:

(a) **Confirmation.** In Section 1.2, the words "or otherwise effective" are inserted after the words "exchanged between the parties (including by means of an electronic messaging system or e-mail)".

(b) **Conditions Precedent.** The references in Sections 4.1, 4.2, 4.3, 4.4, 4.5, 11.3(a), 14.1, 16.1(a), 17.1(a), 17.1(b) and 17.1(c) to "any applicable condition precedent" are replaced by references to "any other applicable provisions".

(c) **ISDA Master Agreement.** The following definition replaces Section 17.2(i):

"(i) **ISDA Master Agreement.** "ISDA Master Agreement" means, for purposes of Section 17.2(h) (Cash Settlement Currency) and Section 17.2(j) (Quotation Rate), the ISDA Master Agreement, if any, referred to in the related Confirmation and otherwise (and, in any event, for purposes of Section 17.3(a) (Cash Price) and Section 17.3(b) (Cash Price - Alternate Method)) the standard form 2002 Master Agreement published by the International Swaps and Derivatives Association, Inc., and the terms "Terminated Transaction", "Early Termination Date", "Close-out Amount", "Credit Support Document", "Event of Default" and "Potential Event of Default" have the respective meanings provided for in the ISDA Master Agreement."

(d) **Cash Settlement.**

(i) **Cash Price.** The following provision replaces Section 17.3(a):

"(a) **Cash Price.** If "Cash Price" is specified in the related Confirmation to be the Cash Settlement Method applicable to an Option Transaction or Swap Transaction to which Mandatory Early Termination is applicable, the Cash Settlement Amount will be an amount determined with respect to the Relevant Swap Transaction as of the Cash Settlement Valuation Time on the Cash Settlement Valuation Date as the amount which would be payable in accordance with the provisions of Section 6(e)(ii)(1) of the ISDA Master Agreement (but without reference to clause (3) of Section 6(e)(ii)), the necessary changes being made, as though (i) the Relevant Swap Transaction were a Terminated Transaction, (ii) the Cash Settlement Payment Date, Optional Early Termination Date or Mandatory Early Termination Date, as the case may be, were an Early Termination Date and (iii) the Cash Settlement Currency were the Termination Currency. Notwithstanding the provisions of Section 6(e) of the ISDA Master Agreement and the definition of "Close-out Amount", the Calculation Agent will determine the Cash Settlement Amount on the basis of quotations (either firm or indicative) for a replacement transaction supplied by Cash Settlement Reference Banks (but the Calculation Agent may not take into account any loss or cost incurred by a party in connection with its terminating, liquidating or re-establishing any hedge related to the Relevant Swap Transaction (or any gain resulting from any of them)). The Calculation Agent will ask each Cash Settlement Reference Bank to provide a quotation using the Quotation Rate specified in the related Confirmation. In providing quotations, the Cash Settlement Reference Banks will be asked to assume that the Calculation Agent is a dealer in the relevant market of the highest credit standing which satisfies all the credit criteria which such Cash Settlement

Reference Banks apply generally at the time in deciding whether to offer or make an extension of credit, and no account will be taken of any existing Credit Support Document. Notwithstanding the provisions of Section 6(e) of the ISDA Master Agreement and the definition of "Close-out Amount", if fewer than three quotations are provided, the Cash Settlement Amount will be determined by the Calculation Agent in good faith and using commercially reasonable procedures."

(ii) **Cash Price - Alternate Method.** The following provision replaces Section 17.3(b):

"(b) **Cash Price - Alternate Method.** If "Cash Price - Alternate Method" is specified in the related Confirmation to be the Cash Settlement Method applicable to an Option Transaction or Swap Transaction to which Mandatory Early Termination is applicable, the Cash Settlement Amount will be an amount determined with respect to the Relevant Swap Transaction as of the Cash Settlement Valuation Time on the Cash Settlement Valuation Date as the amount which would be payable in accordance with the provisions of Section 6(e)(ii)(2) of the ISDA Master Agreement (but without reference to clause (3) of Section 6(e)(ii)), the necessary changes being made, as though (i) the Relevant Swap Transaction were a Terminated Transaction, (ii) the Cash Settlement Payment Date, Optional Early Termination Date or Mandatory Early Termination Date, as the case may be, were an Early Termination Date and (iii) the Cash Settlement Currency were the Termination Currency. Notwithstanding the provisions of Section 6(e) of the ISDA Master Agreement and the definition of "Close-out Amount", the Cash Settlement Amount will be determined on the basis of quotations (either firm or indicative) for a replacement transaction supplied by Cash Settlement Reference Banks (but account may not be taken of any loss or cost incurred by a party in connection with its terminating, liquidating or re-establishing any hedge related to the Relevant Swap Transaction (or any gain resulting from any of them)). Each party will ask each Cash Settlement Reference Bank to provide a quotation using the Quotation Rate specified in the related Confirmation. In providing quotations, the Cash Settlement Reference Banks will be asked to assume that the party requesting the quotations is a dealer in the relevant market of the highest credit standing which satisfies all the credit criteria which such Cash Settlement Reference Banks apply generally at the time in deciding whether to offer or make an extension of credit, and no account will be taken of any existing Credit Support Document. Notwithstanding the provisions of Section 6(e) of the ISDA Master Agreement and the definition of "Close-out Amount", if fewer than three quotations are provided to either party, the Cash Settlement Amount will be the average of the amounts determined by each of the parties in good faith and using commercially reasonable procedures."

(e) **Termination Currency.** The reference in Section 17.2(h)(ii) to "the currency specified as the Termination Currency" and the references in footnotes 42, 58 and 62 in the Exhibits to "the Termination Currency specified" are replaced by references to "the Termination Currency".

(f) **Confirmation Before Agreement.** The reference in footnote 2 in the Exhibits to "the ISDA Master Agreement (Multicurrency-Cross Border)" is replaced by a reference to "the ISDA 2002 Master Agreement" and the reference to "and [specify currency] as the Termination Currency" is deleted.
