dated as of [] between:

.....
("Party A"¹)

.....
("Party B"¹)

1. General

- (a) **Purpose.** This ISDA/FIA-~~Europe~~ Cleared Derivatives Execution Agreement (this "*Agreement*"), which includes the annex (the "*Annex*"), has been entered into in order to facilitate the entry into of Derivatives Transactions and the clearing of such transactions with one or more CCPs located outside of the United States.
- (b) **Scope.** Party A and Party B may, from time to time, enter into Derivatives Transactions and this Agreement will apply to all such Derivatives Transactions.
- (c) **Standard of Care.** Party A and Party B will perform their respective obligations and exercise their respective rights under this Agreement in good faith and in a commercially reasonable manner under the circumstances.
- (d) **Inconsistency.** In the event of any inconsistency between the provisions of the Annex and the other provisions of this Agreement, the Annex will prevail.

2. Clearing of Derivatives Transactions

- (a) **Matching and Submission.** In respect of each Derivatives Transaction, other than an Automatically Matched Transaction, Party A and Party B will each submit (or procure submission of) an electronic message to the relevant Matching System, as soon as practicable in the circumstances after execution of such Derivatives Transaction, to enable the trade details relating to such Derivatives Transaction to be matched and submitted, via the applicable Relevant Trade Source, to the relevant CCP for clearing of such Derivatives Transaction.
- (b) **Reasonable Steps to Clear.** Without prejudice to Section 3 and in accordance with Applicable Rules, if any, the parties will take reasonable steps to enable a Derivatives Transaction to be cleared (including, without limitation, if a Relevant Event occurs), which such reasonable steps may include, without limitation and if applicable:
 - (i) Party A and Party B consulting in an effort to resolve any issues relating to the matching and submission of such Derivatives Transaction;
 - (ii) Party A or Party B or both Party A and Party B, as applicable, re-submitting (or procuring the re-submission of) an appropriate electronic message to the relevant Matching System;
 - (iii) Party A or Party B or both Party A and Party B, as applicable, procuring that all of the information in respect of such Derivatives Transaction required by the relevant CCP in order to clear such Derivatives Transaction is received by the relevant CCP;

¹ It is intended through the use of Party A and Party B in this Agreement that Party B will be the party looking to access clearing for certain of its derivatives transactions and Party A will be the dealer facilitating such access to clearing.

- (iv) Party A or its affiliate agreeing with Party B that Party A or its affiliate, as applicable, will be the Clearing Member for Party B in respect of such Derivatives Transaction;
- (v) Party A or Party B or both Party A and Party B, as applicable, selecting an alternative Clearing Member(s) in respect of such Derivatives Transaction;
- (vi) Party A and Party B agreeing to submit such Derivatives Transaction for clearing through an alternative CCP; or
- (vii) Party A and Party B consulting in an effort to agree any other alternative course of action.

3. **Alternative Actions**

- (a) **Acceptance as a Bilateral Transaction.** Notwithstanding Section 2(b) and without prejudice to Section 3(b), if a Relevant Event occurs with respect to a Derivatives Transaction, the parties may, to the extent the Derivatives Transaction is not required to be cleared by Applicable Law, mutually agree to treat such Derivatives Transaction as a bilateral uncleared transaction, provided that they (i) agree on the modifications and amendments (which may include, without limitation, the pricing, collateral and other credit terms) required to the terms of such Derivatives Transaction in order to continue it as a bilateral uncleared transaction; and (ii) have entered into, or can agree on and enter into, appropriate documentation, in which case such Derivatives Transaction will no longer be subject to this Agreement.
- (b) **Termination.** Notwithstanding Sections 2(b) and 3(a), if a Relevant Event occurs with respect to a Derivatives Transaction and for so long as such Derivatives Transaction remains subject to this Agreement, a Terminating Party may, at any time at or following the applicable Termination Election Start Date, elect, in its sole discretion and by notice to the other party, to terminate such Derivatives Transaction, in which case the following provisions will apply:
 - (i) Party A will determine the Early Termination Amount in respect of such Derivatives Transaction as of the Early Termination Date or, if that would not be commercially reasonable, as of the date or dates following such Early Termination Date as would be commercially reasonable, provided that, if Party A fails to determine the Early Termination Amount in a timely manner (and in any event by the end of the fifth Local Business Day after the Early Termination Date) then the Early Termination Amount will be determined by Party B;
 - (ii) upon, or as soon as reasonably practicable following the determination of such Early Termination Amount, the party making such determination will notify the other party in writing of the Early Termination Amount (setting forth the details of the calculation in reasonable detail) and which of Party A and Party B is the payer in respect of such Early Termination Amount; and
 - (iii) Party A or Party B, as applicable, will pay the Early Termination Amount to the other party, such Early Termination Amount being due and payable on the Local Business Day following the day that notice of such amount is effective.
- (c) **Termination Long Stop.** If Termination Long Stop is specified as applicable in the Annex then, if a Relevant Event occurs with respect to a Derivatives Transaction and such Derivatives Transaction remains subject to this Agreement and outstanding on the applicable Termination Long Stop Date, then Party A will be deemed to have delivered a notice to Party B in accordance with Section 3(b) on such Termination Long Stop Date and the remainder of Section 3(b) will apply accordingly.

4. Transactions Accepted for Clearing

- (a) **Cleared Transactions.** Upon Registration of a Derivatives Transaction, neither Party A nor Party B will have any further rights against or obligations to the other (in each case, whether accrued or otherwise) with respect to such Derivatives Transaction.
- (b) **No Early Termination Amount.** If a Derivatives Transaction is Registered then, notwithstanding Section 3(b) and regardless of whether a Relevant Event has occurred in respect of such Derivatives Transaction, no Early Termination Amount will be payable by Party A to Party B or by Party B to Party A, as applicable, in respect of such Derivatives Transaction.

5. Representations

Each of Party A and Party B represents to the other, as at the time of execution of a Derivatives Transaction and, other than in respect of the representation in Section 5(d), as at the time of execution of this Agreement, that:

- (a) it is duly organised and validly existing under the laws of the jurisdiction of its organisation or incorporation and, if relevant under such laws, in good standing;
- (b) it has the power and authority to execute (where applicable), enter into, and perform its obligations under this Agreement, each Derivatives Transaction and each applicable corresponding Cleared Transaction;
- (c) its obligations under this Agreement, each Derivatives Transaction and each applicable corresponding Cleared Transaction constitute its legal, valid and binding obligations, enforceable in accordance with their terms (subject to applicable bankruptcy, reorganisation, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)); and
- (d) it has a clearing agreement with a relevant Clearing Member (or is a Clearing Member).

6. Breach of Agreement

- (a) **Consequences of Breach of Agreement.** Each of Party A and Party B agrees that a breach of any representation or obligation under this Agreement, other than a Payment Failure, will not constitute an event of default, termination event or similar event (howsoever described) for the purposes of this or any other agreement, and that the sole remedy in respect of such a breach will, without prejudice to Sections 2(b) and 3(a), be pursuant to Section 3(b).
- (b) **Payment Failure.** Each of Party A and Party B agrees that, in respect of a Payment Failure, for the purposes of the Default Under Specified Transaction Event of Default, as defined in and pursuant to any applicable Derivatives Agreement, this Agreement will be deemed to be a Specified Transaction and the scheduled payment date of the relevant payment will be deemed to be the last payment date of such Specified Transaction.

7. Relationship with Clearing Agreement

Party B agrees and acknowledges that, to the extent that Party A acts as Party B's Clearing Member in respect of any Cleared Transaction corresponding to a Derivatives Transaction, the relationship between Party B and Party A in respect of such Derivatives Transaction is entirely separate from and independent of the relationship between Party B and the Clearing Member in respect of the Cleared Transaction corresponding to such Derivatives Transaction, and nothing contained in this Agreement nor any action or

inaction taken by Party A in its role as an executing broker for Party B under or in connection with this Agreement, any Derivatives Transaction or corresponding Cleared Transaction will be construed as a release, waiver or amendment of any provision of the Clearing Agreement between the Clearing Member and Party B unless expressly agreed otherwise.

8. Limitation of Liability

Unless otherwise provided by Applicable Rules or by Sections 3(b), 10 or 11, neither of the parties will be responsible or liable (whether in contract or in tort or otherwise) for losses or damages incurred by the other party or any other person that arise out of or in connection with:

- (a) error, negligence or misconduct of the other party, any Matching System or any CCP, or any service provider selected in good faith;
- (b) failure of transmission, communication or electronic order facilities; or
- (c) any other cause or causes beyond their control.

Without limiting the generality of the foregoing, unless otherwise provided by Applicable Rules or by Sections 3(b), 10 or 11, in no event will either of the parties be liable to the other for any consequential, incidental, indirect, punitive or special damages, loss of goodwill or loss of business opportunity arising under or in connection with this Agreement. Nothing in this Agreement will exclude or limit any duty or liability which may not be excluded or limited under Applicable Law.

9. Termination

- (a) **Termination Rights.** This Agreement may be terminated by either of Party A or Party B upon prior written notice to the other party designating a time and day not earlier than the time and day such notice is effective as the Termination Time and Termination Date, respectively. Any such termination will have no effect upon any party's rights and obligations arising at or prior to the Termination Time on the Termination Date and this Agreement will remain in effect and govern any Derivatives Transactions executed at or prior to the Termination Time on the Termination Date and which have not been accepted for clearing by a CCP or which have otherwise been terminated or addressed pursuant to Sections 2 or 3, as applicable, prior to the Termination Time on the Termination Date.
- (b) **Survival.** Each of Sections 8, 9, 10 and 11 will survive termination of this Agreement.

10. Interest

If a party fails to pay any amount when due pursuant to this Agreement, such party will, to the extent permitted by Applicable Law, pay interest on the overdue amount to the other party on demand in the same currency as the overdue amount, for the period from and including the original due date for payment to (but excluding) the date of actual payment, at the Default Rate.

11. Expenses

If a party fails to pay any amount when due pursuant to this Agreement, such party will on demand indemnify and hold the other party harmless for and against all reasonable out-of-pocket expenses, including legal fees, execution fees and stamp tax, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement or by reason of the early termination of any Derivatives Transaction pursuant to Section 3(b), including, without limitation, costs of collection. Any such amount will be due and payable on the Local Business Day following the day that notice of the amount payable is effective.

12. Transfer

To the extent permitted by Applicable Law, neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, provided, however, that a party may make such a transfer of this Agreement pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all of its assets to, another entity (but without prejudice to any other right or remedy under this Agreement).

13. Notices

Unless expressly stated otherwise, any notice or other communication in respect of this Agreement may be given in any manner described below to the address or number or email details provided in the Annex and will be effective as indicated:

- (a) if in writing and delivered in person or by courier, the Notice Cut-off Time on the date it is delivered;
- (b) if sent by facsimile transmission, the Notice Cut-off Time on the date it is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);
- (c) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), the Notice Cut-off Time on the date it is delivered or its delivery is attempted; or
- (d) if sent by email, the Notice Cut-off Time on the date it is delivered,

unless the date of that delivery (or attempted delivery) or that receipt, as applicable, is not a Local Business Day or that communication is delivered (or attempted) or received, as applicable, after the Notice Cut-off Time on a Local Business Day, in which case that communication will be deemed given and effective at 9.00 a.m. Local Time on the first following day that is a Local Business Day.

14. Recordings

Each party (a) consents to the recording of telephone conversations between the trading, marketing and other relevant personnel of the parties in connection with this Agreement or any potential Derivatives Transaction, (b) agrees to obtain any necessary consent of, and give any necessary notice of such recording to, its relevant personnel and (c) agrees, to the extent permitted by Applicable Law, that recordings may be submitted in evidence in any Proceedings.

15. Third Party Rights

A person who is not a party to this Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement but this will not affect any right or remedy of a third party which exists or is available apart from that Act.

16. Miscellaneous

- (a) **Entire Agreement.** This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter and supersedes all oral communication and prior writings with respect thereto. Each of the parties acknowledges that in entering into this Agreement it has not relied on any oral or written representation, warranty or other assurance (except as provided for or referred to in this Agreement) and waives all rights and remedies which might otherwise be available

to it in respect thereof, except that nothing in this Agreement will limit or exclude any liability of a party for fraud.

- (b) **Amendments.** An amendment, modification or waiver in respect of this Agreement will only be effective if in writing (including a writing evidenced by a facsimile or email) and executed by each of the parties.
- (c) **Survival of Obligations.** The obligations of the parties under this Agreement will survive the termination of any Derivatives Transaction.
- (d) **Remedies Cumulative.** Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.
- (e) **Counterparts.** This Agreement (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by facsimile or email), each of which will be deemed an original.
- (f) **No Waiver of Rights.** A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise of that right, power or privilege or the exercise of any other right, power or privilege.
- (g) **Headings.** The headings used in this Agreement are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Agreement.

17. Governing Law and Jurisdiction

- (a) **Governing Law.** This Agreement and any non-contractual rights arising in relation thereto will be governed by and construed in accordance with English law.
- (b) **Jurisdiction.** With respect to any Proceedings, each party irrevocably:
 - (i) submits to (A) the non-exclusive jurisdiction of the English courts if the Proceedings do not involve a Convention Court and (B) the exclusive jurisdiction of the English courts if the Proceedings do involve a Convention Court;
 - (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have jurisdiction over such party;
 - (iii) agrees, to the extent permitted by Applicable Law, that the bringing of Proceedings in any one or more jurisdictions will not preclude the bringing of Proceedings in any other jurisdiction; and
 - (iv) waives any and all right to trial by jury in any Proceedings.
- (c) **Service of Process.** Each party irrevocably appoints the process agent, if any, specified in respect of such party in the Annex to receive, for it and on its behalf, service of process in any Proceedings. If for any reason any party's process agent is unable to act as such, such party will promptly notify the other party and within 30 days appoint a substitute process agent acceptable to the other party. Nothing in this Agreement will affect the right of either party to serve process in any other manner permitted by Applicable Law.

- (d) **Waiver of Immunities.** Each party irrevocably waives, to the fullest extent permitted by Applicable Law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction, or order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction, and irrevocably agrees, to the extent permitted by Applicable Law, that it will not claim any such immunity in any Proceedings.

Without any further provisions, if a collateral arrangement is in place in relation to a Derivatives Agreement that would cover any transaction under such Derivatives Agreement, Derivatives Transactions would be required to be collateralised pursuant to the terms of the Derivatives Agreement. If the parties do not want this to be the case, they should include appropriate language here. For example, in the case of a Derivatives Agreement that is a 1992 ISDA Master Agreement or an ISDA 2002 Master Agreement and in relation to which there is a 1995 ISDA Credit Support Annex (Bilateral Form – Transfer), the following language could be included at the end of the definition of Derivatives Agreement if Derivatives Transactions are not to be collateralised: "*provided that, for the purposes of the definition of Exposure in any 1995 Credit Support Annex (Bilateral Form - Transfer) that supplements and forms part of such Derivatives Agreement, any Derivatives Transaction shall be deemed not to be a Transaction*"
