Q1 2024	 EU	<i>The European Commission (EC) has published the 3rd Capital Requirements Regulation (CRR III) proposal on October 27, 2021, which will implement the Basel 3 framework in Europe. The CRR III will transpose the market risk standards (FRTB) as a binding capital constraint, the output floor, the revised credit valuation adjustment framework, alongside operational and credit risk framework, amongst others. EU policymakers have agreed on a final trilogue deal on 27 June 2023. The technical work to finalize the agreed compromise wording came to a close in October. The European Parliament and Member States will have to endorse formally the trilogue deal, which will pave the way for the publication in the Official Journal, now expected in Q1 2024 (March/April). The rules are set to apply from January 1, 2025.</i>
