Brazil	Jurisdictions that meet the minimum standards established by BCBS-IOSCO.	<p>Page 14, Chapter 4 of: Resolution CMN 4.662 (english): The margin requirements shall be considered met by a covered institution in transactions with foreign counterparties if the following conditions are satisfied:</p> <p>I. the covered institution is required to provide a margin for the covered transactions, as per article 7, in keeping with the requirements established in the regulations of the foreign jurisdiction in which its counterparty is incorporated; and</p> <p>II. the requirements established in the regulations of the foreign jurisdiction are compatible with the minimum standards established by the Basel Committee on Banking Supervision (BCBS) and by IOSCO.</p>
Canada (OSFI)		OSFI guidance and equivalence decisions are granted on an individual-application basis and are not public. ISDA understands that OSFI has granted equivalence determinations to applicants in respect of the EU, US CFTC and USPR requirements.
Canada (Quebec AMF)	Jurisdictions that are deemed equivalent by the covered institution.	"The AMF permits covered institutions to comply with the margin exchange requirements applicable to their covered counterparties rather than the expectations set out in this guideline, insofar as the covered institutions deem those requirements to be equivalent. Although the AMF does not intend to validate the equivalence beforehand, it reserves the right to conduct an in-depth equivalence review as part of its supervisory actions. Therefore, the AMF expects covered institutions to document the requirements applicable to their counterparties where the covered institutions choose to comply with them." https://autorite.qc.ca/en/professionals/insurers/guidelines/credit-market-and-insurance-risk/guideline-on-margins-for-over-the-counter-derivatives-not-cleared-by-a-central-counterparty
