2022		
2022	 Australia	Expected finalization of APRA prudential standard for IRRBB (APS 117).
2022/2023	 EU	The European Commission (EC) has published the 3 rd Capital Requirements Regulation (CRR III) proposal on 27 October 2021 which will implement the Basel 3.1 framework in Europe. The CRR III will transpose the market risk standards (FRTB) as a binding capital constraint, the output floor, the revised credit valuation adjustment framework, alongside operational and credit risk framework, amongst others. The proposal will also take into consideration the impact of the COVID-19 crisis on the EU banking sector. From the EC's original proposal, most of the requirements are set to apply from January 1, 2025. In terms of next steps, we expect now negotiations to take place among Member States and the European Parliament to work on the CRR 3 banking package in the coming months. As a result of these negotiations, the implementation date of January 1, 2025 will be subject to change.
Q1 2022	 EU	The European Commission (EC) will adopt a Delegated Act (DA) on specifying fees and rules of procedure for measures applicable to the supervision by ESMA of certain benchmark administrators (i.e. supervisory fees, fines and penalties for administrators of critical and/or third country benchmarks).
